## Principal's Message

*We consider every gift we receive as a precious resource from God.*

Our school has a 51-year history of providing a quality Catholic and academic education to generations of families. Our reputation as an outstanding school continues to grow. Our challenges in today's world are to provide our students with enhanced programs, stay current with our technology, maintain our facilities, and enable our faculty to continue their professional and spiritual development. In reaching these goals, we continually seek assistance from our benefactors.

As we embark on this year's annual fund, our goal is \$50,000. Every gift – no matter the size – will contribute to our tuition assistance program to augment the difference between the cost of educating each child and tuition. Your gift will ensure financial security and that Catholic education remains a vital resource for many generations to come.

Together we can reach our goal! As always, we are grateful for your generosity and prayerful support. You may send your gift now or make a pledge to be paid by June 30, 2017. Remember, every gift contributes to the vitality and future of our school.

Warmly,

Principal, St. Philip Neri School
