COMMENTS FROM GRANDPARENTS

We believe the act of encouragement begins in seeing people as God sees them, for all they can be and for who they are becoming. Sometimes all it takes is one simple act of believing in someone to unlock his or her potential. We have been blessed to have had this experience with the faculty and staff at SPN School. The focus on Catholic values and the solid academic program is foremost in providing the students a positive environment in which to grow in their faith and education. We are proud to have our second generation children attend this accredited school. *Dale and Barbara Thompson*

COMMENTS FROM PARENTS

Our family's goal is eternal salvation, starting right now. St. Philip Neri School helps our children learn how to live the Catholic life in all aspects, so that we can follow Jesus now and in eternity. *Richard and Jennifer Legendre*

Principal's Message

We consider every gift we receive a precious resource from God.

Our school has a 54-year history of providing a quality Catholic and academic education to generations of families. Our reputation as an outstanding school continues to grow. Our main challenges in today's world are to provide our students with enhanced programs, to stay current with technological advances, to maintain our facilities, and to enable our faculty to continue their professional and spiritual development. In reaching these goals, we continually seek assistance from our benefactors.

Technology is always changing, so we are very excited about receiving 5 BENQ Interactive Android Flat Panel TVs on wheels. We are looking forward to integrating more of these flat panels next year, which will be quite costly. One of our big facility enhancements would be purchasing a new sound system for our hall. This sound system will not only benefit our school but our parish activities as well. As for spiritual development, we continue to grow in the love of Jesus through a series of workshops with Father DeAscanis to help center us in our faith.

As we embark on this year's annual fund, our goal is \$100,000. Every gift – no matter the size – will contribute to our tuition assistance program to augment the difference between the cost of educating each child and tuition. Your gift will ensure financial security and that Catholic education remains a vital resource for many generations to come.

Together we can reach our goal! As always, we are grateful for your generosity and prayerful support. You may send your gift now or make a pledge to be paid by June 30, 2020. Remember, every gift contributes to the vitality and future of our school.

Warmly,

Kate O'Leary
