

Nourishing the Soul, Mind and Body

COMMENTS FROM PARENTS

Choosing SPN has been one of the best decisions that we could make for our children. As an alumnus of SPN, I know our children will receive an exemplary education, develop strong social and leadership skills, as well as establish a firm spiritual foundation that will help guide them throughout their lives. We want our children to receive a faith-based education, one that goes beyond the confines of a textbook, and helps them develop strong moral character. At SPN we are blessed with a tremendous staff, from our teachers to school leaders to our church community that is dedicated to their spiritual and academic development. We're very proud to be a member of the SPN family.

COMMENTS FROM PARENTS

Our family has been enrolled at SPN for the last 5 years, beginning with our son starting in pre-k, and we could not be happier. St. Philip Neri School is the perfect blend of accelerated academics, sound Catholic morals, friendships and fun. We are a TRUE family here at SPN.

The Gran Family

Principal's Message

We consider every gift we receive a precious resource from God.

For over 50 years, St. Philip Neri School has prepared students, providing them a foundation of academic excellence with the focus on educating the whole child. Our commitment is to nourish the soul, mind, and body. By nurturing strong Catholic virtues and moral values, each student is prepared to be a future leader in our community as well as the world.

The cost to educate each student at St. Philip Neri is much greater than the tuition our parents pay. Our Annual Fund Campaign is essential to help fill the gap between tuition and operating expenses. Each year, the Annual Fund helps to control tuition increases – making Catholic education attainable for more families that are interested in a faith-filled environment – while providing funding for many of the school's pressing needs such as: technology in the classrooms, academic enhancements, tuition assistance, faculty support, facility updates and operating expenses. Every dollar raised is used to enrich the school experience for our students in their pursuit of academics and spiritual growth so that they may be future Catholic leaders that our world so greatly needs.

As you know, we have all had to deal with setbacks because of COVID-19. We were no different. We completed many upgrades and additional purchases in order to meet the guidelines to reopen. Now more than ever we need your support.

Our goal this year is \$100,000. Every gift – no matter the size – will contribute to our tuition assistance program, cost of upgrades, and academic as well as technological enhancements.

Together we can reach our goal! As always, we are grateful for your generosity and prayerful support. You may send your gift now or make a pledge to be paid by June 2021. Remember, every gift contributes to the vitality and future of our school.

Warmly,

Kate O'Leary
