

## ST PHILIP NERI NEW STUDENT REFERRAL PROGRAM

You are our most valuable source for spreading the good news about SPN and we wish to incentivize bringing new families to our school!

### *How does it work?*

For each new family that enrolls at St. Philip Neri School your family will receive a

**\$250 discount off of tuition per referral!**

Listed below are the guidelines for this NEW STUDENT REFERRAL PROGRAM:

- The enrolling family must mention referring family's name to the Admissions Director or write your name down on their child's application when applying to the school.
- The "new" students cannot be siblings of current/alumni students.
- Only full time entering Kindergarten through 8<sup>th</sup> grade students are eligible for the \$250 discount. For Pre-Kindergarten referrals please contact the Admissions Director.
- Referring and referred family must be enrolled for the entire school year.
- The discount is paid out as a one-time credit on the referring family's last tuition payment in April. If tuition has been paid in full before April, then a check will be issued.
- As a referring family you may receive multiple discounts, not to exceed the total family tuition cost.
- If more than one current family refers the same new family the discount is split.

### *What is the best way to invite prospective families?*

Person to person is the best approach! Use email, social media, or however you are most comfortable chatting about SPN. If you would like a school brochure to share with a prospective family, please either pick one up in the school office or ask Ms. Amy Sewell.
