## Financial Aid Assistance

for our school families

If you are requesting money from the AOB, SPN Parish, or SPN School, you must complete the **FACTS GRANT AND AID APPLICATION!**

**The deadline for submitting your online application is February 28, 2023. NO EXCEPTIONS!**

### APPLICATION FOR TUITION ASSISTANCE FOR ALL RETURNING SCHOOL FAMILIES

FACTS is the tool we use to process all GRANT AND AID APPLICATIONS. There is a misconception that FACTS gives out money. This is not the case. The decisions for granting or denying requests for assistance are made separately by:

- the **ARCHDIOCESE OF BALTIMORE** based on the funds they have available for the school year,
- **ST. PHILIP NERI PARISH** based on funds that the parish has available,
- **ST. PHILIP NERI SCHOOL** based on the funds we have available in our Tuition Assistance Fund.

Award decisions are made during the March-April time frame.

To complete an application:

1. Go to the FACTS link: <https://online.factsmgt.com/signin/3QGNP>
2. Sign in to your account - the same account you are using for your tuition payment plans.
3. Complete the FACTS Grant and Application for 2023-2024 school year. Cost is \$35.

If you require assistance with the application process, **please call FACTS support directly at 1-866-441-4637**. Support representatives are available 7 days a week, 24 hours a day, to assist you.

What do you need to complete your **FACTS GRANT AND AID APPLICATION?**

2021 W-2's      2021 Tax Return      2022 W-2's

You do not need your 2022 W-2's to start the application process. You can upload those documents when you receive them. By law W-2's should be delivered to you by the end of February.

**All required documentation must be submitted in order for your application to be complete and eligible for tuition assistance consideration.**

**APPLICATION FOR BOOST** – BOOST is aid given out by the state. BOOST applications will open in March 2023 and close in April 2023. Awards are given out in August 2023.

# HALLOWEEN COSTUMES INFORMATION

As you think about and start preparing Halloween costumes for this year's Costume Parade and classroom parties on October 31, please keep the following guidelines in mind:

1. Regarding makeup - NO make-up
2. Children may wear wigs.
3. Children should NOT wear masks of any type
4. No guns, swords, knives, light sabers, or anything that could be viewed as a weapon.
5. Children may wear orange and/or black or appropriate Halloween-themed t-shirts with jeans (no holes or tears) or sweatpants to school. Otherwise, they may wear their gym uniform.

Costumes should NOT be worn to school. The children will be given time after lunch to get ready for the parade.

This is just a reminder that every family must complete 20 volunteer hours by May 31, 2023.

There are many opportunities that come up throughout the year and are mentioned in the email ALERTS that are sent out as well as the weekly parent newsletter.

There are plenty of opportunities outside of school hours in which you can help out. Please start working on your hours now if you have not yet begun. Leaving them to the last minute greatly limits the availability of options.

Any uncompleted volunteer hours after May 31, 2023, will be billed to the family at the rate of \$12.50 per hour.

Please refer to pp. 15 & 16 in your Parent-Student Handbook for more information regarding volunteering at SPN School.

For help with VIRTUS volunteer certification, please contact Mrs. Susie Frazier at [sfrazier@spnmd.org](mailto:sfrazier@spnmd.org).

### MATH OLYMPIAD PROGRAM

Teresa, Amy, Emersyn, and Tam represented SPN at The Catholic High School's Math Olympiad. Emersyn placed 2nd out of 72 girls in the individual competition! Way to go! Thank you, Ms. Schomaker, for coaching!

5th grade explored a stem we eat, looking for xylem and phloem! Then they enjoyed having a little snack!

**MORE 5<sup>th</sup> GRADE FUN ABOVE**  
(BELOW) 6th grade made fossils in science class. They are learning the importance of fossils to understand Earth's history!

Pre-K had so much fun on their field trip to Clark's Elioak Farm!

Students in 5A and 7B collaborated in the science lab to try to answer the question, "why do leaves change color?"

They experimented with several stations together including crunching the leaves with a mortar and pestle.

Fun Science

also examined plant cells under the microscopes and used cartography paper to identify colors from the leaves.
