# THE FEAST OF ST. PATRICK

On March 17, Catholics celebrate St. Patrick, the fifth century bishop and patron of Ireland, whose life of holiness set the example for many of the Church's future saints.

St. Patrick is said to have been born around 389 AD in Britain. Captured by Irish raiders when he was about 16, St. Patrick was taken as a slave to Ireland where he lived for six years as a shepherd before escaping and returning to his home.

At home, he studied the Christian faith at monastic settlements in Italy and in what is now modern-day France. He was ordained a deacon by the Bishop of Auxerre, France around the year 418 AD and ordained a bishop in 432 AD.

It was around this time when he was assigned to minister to the small, Christian communities in Ireland who lacked a central authority and were isolated from one another.

When St. Patrick returned to Ireland, he was able to use his knowledge of Irish culture that he gained during his years of captivity. Using the traditions and symbols of the Celtic people, he explained Christianity in a way that made sense to the Irish and was thus very successful in converting the natives.

The shamrock, which St. Patrick used to explain the Holy Trinity, is a symbol that has become synonymous with Irish Catholic culture.

Although not the first missionary to the country, he is widely regarded as the most successful. His life of sacrifice, prayer, and fasting has laid the foundation for the many saints that the small island was home to following his missionary work.

To this day, he continues to be revered as one of the most beloved Saints of Ireland!

## **SPN FINANCIAL AID UPDATE**

The SPN School Financial Aid Committee has been working hard going through all of the FACTS Grant and Aid applications to determine allocation of funds. We are aiming to have our distribution approved on Monday. Mrs. Wenzlick will be sending out an email to all families that completed the application next week with your award.

Only applicants in the "COMPLETE" status will be awarded any aid. Those families in the "DOCUMENTS IN PROGRESS" status, awards assigned but none will be applied until the application is "COMPLETE." We do have many families in the "INCOMPLETE" status - those families will NOT receive any aid. So if you are unsure, please log into FACTS and determine what your status is.

At this time we have not received the list of students receiving aid from the Archdiocese of Baltimore. The Parish Aid will be determined around mid-April.

### **Information about the upcoming 2023-2024 school year:**

We are creating the CONTRACTS for next year and plan to send them out to families through SchoolAdmin around April 1. We are asking families to complete their CHECKLISTS by April 15. We look forward to working with you on your enrollment for the upcoming school year.

Just a friendly reminder of our Out-of-Uniform policy. It can be found on page 43 in our Parent-Student Handbook. The next one is scheduled for March 29!

#### **Out-of-Uniform or "Tag Day" Attire**

- Each student's attire should be safe and appropriate for wear throughout the school day as determined by the school's administration.
- Clothing and shoes may not be torn or ripped.
- Dresses and skirts must be of reasonable length (no more than 3 inches above the knee) and not too tight. No thin straps or bare shoulders.
- Pants – Presentable jeans or pants are acceptable.
- Leggings must be worn with long tops that cover the bottom.
- Shorts may be worn during summer uniform dates.
- Shirts – T-shirts with acceptable writing and images are permitted. No tank tops, sleeveless, mesh, or tight shirts are allowed. Low, midriff, or crop tops are not to be worn.
- No hats are to be worn in school.
- No slippers, moccasin-style shoes, boat shoes, boots, open-toed sandals, Crocs, clogs, thick-soled, or high-heeled shoes are permitted.
- Earrings: Boys are not allowed to wear earrings at any time. Earrings for girls should be small posts.

If a student is improperly dressed on any out-of-uniform day, they will be given alternate clothing to wear, or their parents will be called to take them home or bring a change of clothes. The administration determines what is appropriate for school and asks that parents support the school guidelines.

## HOPE For All Collection

Not just linens but also monetary donations!

On Wednesday, March 29, we will have an out-of-uniform day at St. Philip Neri School.

Every student that brings in \$2 or more will be allowed to have a dress down day.

Students should follow the guidelines for out-of-uniform days found in your Parent-Student Handbook on page 43.

Families may also contribute online for this campaign. If you contribute online between now and March 29, the students in the family will be allowed the dress down day as well.

## OPERATION MATO GROSSO

Food and Monetary Donations for South America

<https://givebeyondborders.org/give/>

Artesanos Don Bosco is one project in a long list of volunteer-run charitable works of the organization called Operation Mato Grosso (OMG).

**Father Ugo De Censi** is a Catholic priest belonging to the Salesian Congregation. A faithful devotee of St. John Bosco, he loves to work with the youth. In 1967 he founded OMG, a movement created to help people in poverty.

**Operation Mato Grosso** started off as an adventurous trip with the idea to help others. In 1966, Fr. Ugo asked a group of young Italians to travel to Brazil for the summer to help his missionary friend, Fr. Pietro, build a school and health post. By July of the next year, 21 young people left for the Brazilian state of Mato Grosso. After four months of work, they were not able to complete the building, and some decided to stay. Those who returned to Italy started to raise money to support the mission. The mission now includes 110 different communities across Brazil, Bolivia, Ecuador, and Peru.

DURING THIS **LENT** KEEP IN MIND PEOPLE IN NEED

Since 2017, every year from January to mid-April, we run our Annual Food Drive. The objective is to fill as many shipping containers as possible and ship them to our missions in Peru. We collect six staple food items (pasta, sugar, rice, flour, canned food, and cooking oil). We started with one small container (20 feet long) the first time, and every year we got better. In 2022 we shipped 4 containers (40 feet long).

This year will be our 7th Annual Food Drive. As mentioned before, since 2017, we have always doubled the amount of food collected, and once again, we're not looking to match it; we aim to double the amount!

### SPN SCHOOL FAMILIES – FOOD DRIVE

We will be collecting items for OMG throughout Lent. Please keep in mind that there are some people around the world that do not have enough to eat. Donating is one way to show our thankfulness for what we have. Thank you in advance for your support!

NJHS students will be collecting items during lunch and recess time from each homeroom.

# ZACH & TYLER'S GENTLY USED AND NEW SPORTS EQUIPMENT DRIVE APRIL 1-APRIL 30, 2023

Did you know that 1 in 5 underserved households are not getting their kids involved in athletics because of the rising price of sporting equipment? We are working with the nonprofit "Leveling the Playing Field" for the third year in a row to collect used and new sporting goods to be donated to kids in need. We are working to ensure that kids have access to completely free equipment so they can get off the sidelines and in the game! "Leveling the Playing Field" works within the community to collect used/excess sporting equipment so that they can ensure that every kid living in and around the greater Baltimore area can enjoy the benefits of athletic involvement.

<https://www.levelingthefield.org/>

We can also come to you and pick-up!

Email: StacyLoveridge@gmail.com

Can you help us out???

Clean out your garages, look through items that are sitting around your house not being used, find equipment that your child has outgrown, or purchase a new item from the list of accepted items. All donations will be distributed to students in the Baltimore area.
