Our Catholic Faith at St. Philip Neri School - **SAINTS**

One of the greatest treasures of the Catholic Church is the holiness of its members. Among the members of the Catholic Church, there is a small and noble group of people that stand out as shining examples of holiness and goodness. These are people who have given everything for the love of God and neighbor, have been tried in the fires of persecution and have made choices throughout their lives that were in union with the holy will of God. These holy men and women are the canonized Catholic saints of the Roman Catholic Church. More information can be found on <https://mycatholic.life/saints/>

May 1: Saint Joseph the Worker

Every age has its challenges. Therefore, every age needs a role model to look up to and to help the faithful navigate the particular challenges of their day and age. During the nineteenth and twentieth centuries, Saint Joseph was especially held up to the faithful who engaged in the daily toil of work to support themselves and their families with dignity and love.

May 2: Saint Athanasius, Bishop & Doctor

St. Athanasius (296-373 A.D.) was born in Alexandria, Egypt, to noble Christian parents. He received an excellent education

in theology, philosophy, rhetoric, and law, which he directed to the service of God. He tirelessly and courageously devoted most of his life to defeating the Arian heresy, which denied the divinity of Christ. When the majority of his fellow bishops were Arian heretics, which threatened the integrity of the whole Church, Athanasius stood firmly and almost single-handedly against their error using his philosophical knowledge, theological wisdom, rhetorical skill, and strength of spirit. Despite having the support of several popes, he suffered great trials, scandals, and persecutions at the hands of his doctrinal enemies, and spent much of his life in exile. He was a participant in the Council of Nicea in 325 A.D. and did much of the theological work which supported the condemnation of the Arian heresy and the formulation of the Nicene Creed. St. Athanasius is known as one of the greatest champions of Catholic doctrine to have ever lived, earning the title, "Father of Orthodoxy." St. Athanasius was later declared a Doctor of the Church.

May 3: Saints Philip and James, Apostles

What we know for certain about these two disciples is that they were among the Twelve Apostles. They were uniquely chosen by the Savior to continue His divine mission of evangelizing the world. They embraced their ministry heroically, establishing communities of believers, preaching the Gospel, offering the sacraments, performing miracles, and governing the early Church. Allow the apostolic zeal and the courageous martyrdom of these apostles to inspire you today with the same zeal and courage, so that God can also send you forth on mission.

OPERATION MATO GROSSO

-7th Annual Food Drive -

Dear St Philip Neri faculty, staff, and students,

A special thank you from us Operation Mato Grosso volunteers to you all who supported our very successful 2023 Food Drive.

Thanks to you and to the support of 8 other Catholic schools & 20 churches – a community that is hard to keep up with! – we've so far collected 59,000 pounds of food and about \$12,000 in monetary donations in just two months. Nearly 100 teens and young adults came to help our 5 youth groups accomplish this. A special thanks to those youth who broke out of their comfort zones coming to supermarkets during cold February weekends. Because of all the great support, **the first container is on its way!!** It just left our home port

and will arrive in the port of Lima, Peru by mid-May. Your donations will be served in our South American missions – schools, parish soup kitchens, orphanages, hospitals, clinics, and more – to feed those less fortunate than ourselves.

Your donations will help others' lives be healthier and easier, but this container has so much more than food. This container is a sign of the goodness of so many people. It carries with it a message of our good faith in humanity. We thank you and invite those in search of further service to the poor to reach out to us anytime!

Sincerely,
The Operation Mato Grosso volunteers

The food will go to schools,

Usable Glasses Can Make A Difference!

Why Recycle Glasses?

An estimated 120 million people are visually impaired because of uncorrected refractive errors (far and near sightedness). Almost all cases can be corrected, and normal vision can be restored with eyeglasses, contact lenses or refractive surgery.

The lack of eyeglasses denies children and adults opportunities for education, employment, and a better quality of life.

The Journey of Recycled Glasses

1. Lions and Leos collect used eyeglasses at various community locations.
2. The eyeglasses are shipped to the nearest Lions Eyeglasses Recycling Center where trained volunteers sort, clean and determine the prescription strengths of the glasses.
3. Volunteers at the recycling center carefully package the prepared glasses and store them until they are required for eyeglass dispensing missions. Glasses that are not suitable for reuse are recycled for scrap, with the earnings benefitting local Lions and Leos projects.
4. At the mission site, eye care professionals and trained Lion and Leo volunteers perform vision screenings and dispense the appropriate recycled glasses, free of charge, to children and adults in need.

Do You Know ...

Lions Eyeglasses Recycling Centers throughout the world clean and store usable recycled eyeglasses.

Lions Eyeglass Recycling Centers operate voluntarily with the support of public donations, individual member contributions, and Lions Clubs International Foundation grants.

Many Lions Eyeglass Recycling Centers help minimize landfill waste by supporting precious metal reclamation and scrap processing. Broken glasses are discarded, providing “scrap to cash” income that can aid local community projects.

100% of public donations to Lions clubs are used for charitable causes – none go for administrative expenses.

Your Efforts Count!

Donate your used glasses, including sunglasses and reading glasses, to a Lions or Leos club collection point near you.*
