TAKING CARE OF YOUR MENTAL HEALTH

PRACTICAL TIPS FOR EVERYDAY WELL-BEING

MENTAL HEALTH IS JUST AS IMPORTANT AS PHYSICAL HEALTH. IT AFFECTS HOW WE THINK, FEEL, AND ACT. TAKING CARE OF OUR MENTAL HEALTH IS ESSENTIAL FOR OVERALL WELL-BEING. HERE ARE SOME PRACTICAL TIPS TO HELP YOU MAINTAIN GOOD MENTAL HEALTH.

PRACTICE SELF-CARE. TAKE TIME TO DO THINGS THAT YOU ENJOY, SUCH AS READING A BOOK, TAKING A WALK, OR HAVING A RELAXING BATH. PRIORITIZING SELF-CARE CAN HELP REDUCE STRESS AND IMPROVE MOOD.

CONNECT WITH OTHERS. HAVING A SUPPORT SYSTEM IS CRUCIAL FOR GOOD MENTAL HEALTH. REACH OUT TO FRIENDS, FAMILY, OR A MENTAL HEALTH PROFESSIONAL IF YOU NEED TO TALK OR RECEIVE GUIDANCE.

Happy Mothers Day

Strength and dignity are her clothing, and she laughs at the time to come. She opens her mouth with wisdom, and the teaching of kindness is on her tongue. She looks well to the ways of her household and does not eat the bread of idleness. Her children rise up and call her blessed; her husband also, and he praises her: "Many women have done excellently, but you surpass them all."

Proverbs 31:28

In the United States, the first Mother's Day was celebrated by Anna Jarvis in honor of her late mother over 100 years ago in 1908. While Mother's Day in the United States is a secular holiday, the Catholic Church has been celebrating the original "Mothering Sunday" since the earliest years of the Church.

The original Mother's Day, "Mothering Sunday," is a pious Catholic tradition that started in the earliest days of the church and takes place on Laetare Sunday, the fourth Sunday in the liturgical season of Lent.

Laetare Sunday is a more celebratory day in the otherwise austere Lenton Season. On this day, people would pay a visit and return to their *mother* Church where they were baptized, otherwise their local parish church or the nearest cathedral (the mother church to all churches in the diocese). Those that returned to their mother Church on Mothering Sunday were said to have gone "a-mothering."

Information found on <https://ucatholic.com/>

From Father Andy's weekly message:

Catholics honor the Virgin Mary because she said "yes" to God in her life, and she is a good example for us to see our lives at the service of God's plan. We also use statues and images of saints and people from the Bible, much like any person keeps pictures of family around their house (for the saints are family) or pictures of inspirational people around their home for the saints inspire us to follow God and seeing their images reminds us of their good lives!

The Month of Mary

May is a month traditionally dedicated to honoring the Blessed Virgin Mary. In the month of May, the Church calls us to open our hearts in a special way to Mary. We celebrate the beginning of this month with the May Crowning, honoring Mary as "The Queen of May."

The queen symbol was attributed to Mary because she was a perfect follower of Christ, who is the absolute "crown" of creation. She is the Mother of the Son of God, who is the messianic King. Mary is the Mother of Christ. From the cross, Jesus gave us the beautiful gift of his mother to be our mother too.

12:30 – 4:30 PM

Parish Picnic Planning Announcement:

St. Philip Neri Parish is planning an annual fun-filled old fashioned family picnic on Sunday, **May 21**. The day is set aside for our parish community of all ages to enjoy activities, fellowship, with provided grilled food, treats, and music.

The Knights of Columbus will grill hamburgers, hot dogs, and Italian sausage. There will be dessert and snowballs; soda and water. Just bring your own sides. Beer is for purchase (no outside alcohol permitted). Family fun games and activities include face painting, kid crafts and moon bounce for children; pony rides, contest games with prizes- corn hole tournament and field games; plus, all day pickup games (volleyball, soccer) at the nets, and raffles for door prizes and 50/50 cash out. **We are looking forward to a great turnout!**

Please consider volunteering as a number of positions are still needed. On Saturday, May 20, help is needed to set up tables and chairs in the field. On Sunday, coverage is needed for moon bounce monitors (30 mins each shift) until 4:30 PM. After the picnic, help is needed to collapse tables and chairs with storage in the gym. Please mention the day and where you can help. Additional volunteers may also be needed to help facilitate the field activities.

Summer Tutoring

This summer we will be offering tutoring here at SPN. Tutoring will run from the week of June 26 through the week of July 31 on Mondays-Thursdays. Each session will be a one-to-one, one-hour block of time, and will cost \$40 for each session.

If you are interested in tutoring for your child, fill out the form below indicating your preferred day and time and return to Ms. Piwko. If your child will be attending summer camp at SPN, let us know and we will arrange a time that will not interrupt their participation in the camp activities.

There are limited tutors this summer, so priority will be given to those that return their forms first. During the last week of school, the tutor that will be working with your child will contact you to make final arrangements for tutoring.

If you have any questions, feel free to contact Ms. Piwko at epiwko@spnmd.org

They offer comprehensive bereavement care in the form of grief support groups for the entire family in many locations throughout the state. They graciously donate memory boxes and books to Maryland hospitals for patients.

Usable Glasses Can Make A Difference!

Why Recycle Glasses?

An estimated 120 million people are visually impaired because of uncorrected refractive errors (far and near sightedness). Almost all cases can be corrected, and normal vision can be restored with eyeglasses, contact lenses or refractive surgery.

The lack of eyeglasses denies children and adults opportunities for education, employment, and a better quality of life.

The Journey of Recycled Glasses

1. Lions and Leos collect used eyeglasses at various community locations.
2. The eyeglasses are shipped to the nearest Lions Eyeglasses Recycling Center where trained volunteers sort, clean and determine the prescription strengths of the glasses.
3. Volunteers at the recycling center carefully package the prepared glasses and store them until they are required for eyeglass dispensing missions. Glasses that are not suitable for reuse are recycled for scrap, with the earnings benefitting local Lions and Leos projects.
4. At the mission site, eye care professionals and trained Lion and Leo volunteers perform vision screenings and dispense the appropriate recycled glasses, free of charge, to children and adults in need.

Do You Know ...

Lions Eyeglasses Recycling Centers throughout the world clean and store usable recycled eyeglasses.

Lions Eyeglass Recycling Centers operate voluntarily with the support of public donations, individual member contributions, and Lions Clubs International Foundation grants.

Many Lions Eyeglass Recycling Centers help minimize landfill waste by supporting precious metal reclamation and scrap processing. Broken glasses are discarded, providing “scrap to cash” income that can aid local community projects.

100% of public donations to Lions clubs are used for charitable causes – none go for administrative expenses.

Your Efforts Count!

Donate your used glasses, including sunglasses and reading glasses, to a Lions or Leos club collection point near you.*

*There is a tall, blue collection box in the North Lobby next to the Connection Point.

1ST FRIDAY BROWN BAG LUNCHES

Ever wonder what happens to the brown bag lunches you make and we collect?

Ms. Joetta's friend, Ms. Jo, picks up all the lunches and takes them to the homeless camps in the area. Our NJHS students made sandwiches and packed 97 lunches for the homeless as part of our brown bag lunch social outreach.

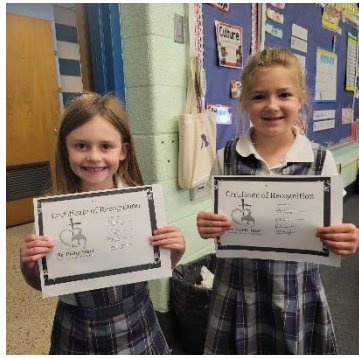

Last Friday, over two hundred lunches were given out to those people in need. Thank you to all those who send in lunches!

Thank you for all your support this school year!
