Our Catholic Faith at St. Philip Neri School – PENTECOST

After Jesus had ascended to heaven from Mt. Olivet, the apostles and disciples returned to the Holy City. They remained together in the Upper Room or Cenacle, the place where Jesus had appeared to them and which may well be called the first Christian church. About a hundred and twenty persons were assembled there. They chose Matthias as an apostle in place of the unhappy Judas; they prayed and waited for the Paraclete.

Ten days had passed, it was Sunday, the seventh Sunday after the resurrection. At about nine o'clock in the morning, as they were together praying fervently, the Holy Spirit descended upon them. Note how all the great theophanies in Christ's life occurred during the course of prayer. The small community of Christians had prepared themselves through prayer for the coming of the Paraclete. The same is true at Mass today, every day; through prayer we ready our souls for the advent of the Spirit.

The descent upon the apostles was internal and invisible in nature although accompanied by certain visible phenomena. There came a mighty roar, like the onrush of a violent wind. It came suddenly, from heaven; but unlike storms that strike a structure from without, this one penetrated and filled the room where the disciples were gathered. Therefore it was not a natural wind, it was a miracle peculiar to the occasion. A second visible sign consisted in tongues of fire that descended upon each one present. These fiery tongues gave visible evidence that the Holy Spirit had descended upon them.

After the roar of the wind many of Jerusalem's pilgrims hurried to the Cenacle. Pentecost was one of the three festivals which obliged all Jews to be present in Jerusalem. Jews from distant lands, and Jewish converts from paganism too, attended these feasts. As a result, a colorful crowd speaking a variety of languages surrounded the house. Now the apostles, who so shortly before had hid in fear behind locked doors, came forth and courageously walked among the multitude speaking to each in his native tongue. It was indeed amazing! Galileans, and multilingual?

But the malicious too were present; they had the answer. Nothing marvelous at all! Those Galileans were simply drunk, and their drunken babble sounded like a foreign language! Peter showed no hesitation in answering the charge. None of their number, he said, were intoxicated; it was but nine o'clock in the morning, and at that hour men usually are sober. What the multitude saw was, in fact, the fulfillment of Joel's prophecy: In those days (of the Messiah), God will pour forth His Spirit upon men and they will prophesy. . . . Then the apostle pointed his words more directly against the accusers: they had killed Jesus, had nailed Him to the Cross; but God had awakened Him and after His departure to heaven, He sent the Holy Spirit.

The pilgrims who had heard Peter give this first pentecostal sermon "were pierced to the heart and said: Brethren, what shall we do? But Peter said to them: Repent and be baptized; and you will receive the gift of the Holy Spirit." Three thousand responded.

One final question: why the miracle of tongues? In answer, recall the story regarding the tower of Babel. Puffed up by pride, men attempted to build a tower that would touch the heavens. To punish their sin, God confused their speech. Sin causes confusion and division. Now Christ came to gather all men into His Church and thereby to unite them to Himself. This should result in creating but one family of nations again. To this blessed state the miracle of tongues points.

Yes, even we as individuals have a gift of tongues which all men can understand. It is the gift of love infused into us by the Holy Spirit. Love unites, love is a common language, by means of love we can speak to all nations.
