When should I apply? As soon as possible! A hard copy of the application is available now and will be emailed. Check this off your to-do list before going back to school, when so many other things are happening! The information you provide is confidential and your application will be processed upon receipt.

Who needs to apply? All student(s) who attend a non-CEP school, should apply every year for meal benefits! If you need assistance in completing your application, please contact your child's school or abain@archbalt.org.

How do I provide funds to my student's account? Every student can register for an account!

- If you already have a meal account, you just need to sign in and add funds.
- If you had funds left on your account from last year, those funds are still available for use.
- You can add funds to your student's account online or by sending a check or money order (made payable to AOB/Child Nutrition Program) to the school cafeteria. **No cash is accepted.** Don't worry about lost lunch money, ever again!
- A letter will follow with instructions for registering new accounts and making payments online.

If you have any questions, or need assistance please email abain@archbalt.org.

Sincerely,

April L. Bain
