The **Home and School Association** exists to help build and strengthen our parish and community in Northern Anne Arundel County by serving as sponsors of our academic program, so as to help realize its three-fold purpose: **to teach doctrine, to build community, and to serve.**

This commitment is fulfilled through service:

**To the Home:**

- By promoting a clearer understanding of the mutual educational responsibilities of parents and teacher
- By sponsoring activities to strengthen the family-school community

**To the School:**

- By perpetuating the existence of St. Philip Neri School
- By promoting active membership within the HSA
- By developing an active volunteer program
