May we be filled with wisdom to make good decisions, understanding to empathize with others, counsel to seek guidance when needed, fortitude to stand firm in our beliefs, knowledge to learn and grow, piety to love and honor you, and fear of the Lord to respect your power and authority. Help us to use these gifts along with our creativity to bring joy and peace to those around us.

RE-ENROLLMENT FOR CURRENT STUDENTS

SPN ENROLLMENT FOR 2024-2025

We know it sounds early, but for us to prepare for the next school year we have to start now!

All families (except those with their youngest in 8th grade) should have received an email from Ms. Amy Sewell on October 16 pertaining to enrollment for next year!

Parents of younger siblings joining our SPN School next year should have already contacted Ms. Amy! You might miss out on an available spot!

We are constantly receiving inquiries for students to attend our school. Ms. Amy and our student ambassadors are giving tours each week to new families. We have a waitlist for every grade to get into our school.

We would love to keep our current families in our school!

For that to happen requires that you complete the INTENT TO ENROLL form within SchoolAdmin for each of your children.

Click on the link in the email from Ms. Amy that was sent on October 16.

EARLY REGISTRATION DATES: October 16-31, 2023

The registration fee is \$100.

The fee will increase to \$150 on November 1, \$175 on January 1, and \$200 on February 1.

Our deadline for returning families is DECEMBER 1.

We start bringing in NEW students for assessments in January and encourage them to complete the FACTS Grant and Aid Application by the February 28 deadline.

BE NOT *Afraid*

When battered by life's storms, or immersed in a dense fog of suffering and uncertainty, we may feel alone and unequipped to handle the circumstances. Yet with words that echo through thousands of years into the corners of our hearts, the Lord says to us, "Do not fear: I am with you" (Isaiah 41:10).

He speaks these words not as one who merely observes our pain, but as one who experienced immense suffering. And the very wounds that bear witness to his suffering indicate the essence of our identity and worth: we are loved by God.

Reflecting on the healed wounds of the Risen Christ, we see that even our most difficult trials can be the place where God manifests his victory. He makes all things beautiful. He makes all things new.

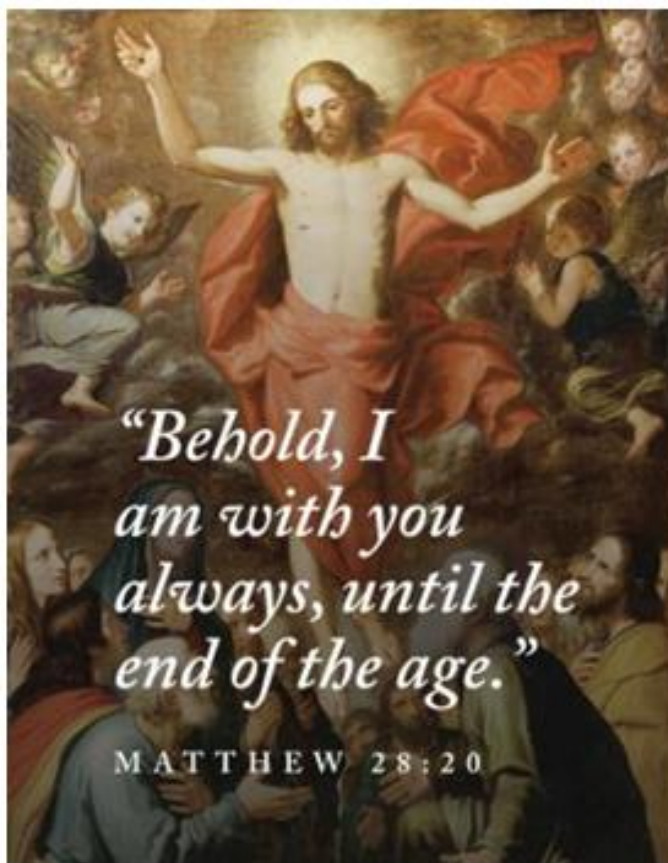

He is *always* with us. Jesus promised this when he gave the disciples the same mission he gives to each of us: Go.

Go be my hands and feet to a world enslaved by fear. Go to the woman who is unexpectedly pregnant and fears the future. Go to your friend who fears reprisal at work because he takes a stand for the protection of human life. Go to your aging parent in failing health who fears being a burden. And go to others, too, for their support.

We don't need to have everything figured out. We can simply follow the

guidance of Our Blessed Mother, the first disciple: "Do whatever he tells you" (John 2:5).

Walk with each other. Do not be afraid to embrace God's gift of life. Whatever storms or trials we face, we are not alone. He is with us.
