WATER BOTTLE REMINDER

In light of some recent activities regarding the use of water bottles, we wanted to take the time to remind everyone of the policy that can be found in our Parent-Student Handbook on pages 48-49. **We also ask you to limit the size of the water bottle to no larger than 32 ounces if possible.**

DRINKING WATER POLICY

Students should bring a **non-breakable** bottle filled with water from home. The following guidelines apply:

Water bottles must have a closable lid with a pushup top to prevent spills. Disposable water bottles are not permitted.

Water bottles must be clearly labeled with the student's first and last name in permanent marker

Water bottles must contain water only: **NO** juice, sports drinks, or energy drinks

Water bottles are to be taken home daily by the student to be washed and refilled for the next school day

To see the full policy please see pages 48-49 of the Parent-Student Handbook.

Dear Parents:

As we plan for the next academic year at St. Philip Neri School, we extend our heartfelt gratitude to you for entrusting us with the education and formation of your children. We are immensely proud of the progress and achievements they have made thus far, and we remain committed to providing them with the highest standards of academic excellence and spiritual growth.

We write to you today to address an important matter regarding tuition expenses and the anticipated rise in tuition for the upcoming academic year. As you know, maintaining the quality of education and ensuring the sustainability of our school's programs and facilities require careful financial planning and resource allocation. Over the past few years, we have diligently managed our budget to balance the increasing costs associated with providing a comprehensive Catholic education while striving to keep tuition rates as affordable as possible for our families.

Tuition and per-pupil costs are not the same. The average state per-pupil cost of educating each child is approximately \$18,000. Despite our best efforts to control expenses, we find it necessary to implement a modest increase of \$200 in tuition for the 2024-2025 school year. This decision was made after careful consideration and consultation with our School Board, taking into account rising operational costs, faculty salaries, facility maintenance, and enhancements to our academic and extracurricular programs.

We understand the financial commitments that families make to prioritize their children's education, and we remain deeply committed to ensuring that a Catholic education at St. Philip Neri remains accessible to all who seek it. Our goal is to foster a community where every child has the opportunity to thrive academically, spiritually, and personally.

2024-2025 TUITION	FAMILY TOTAL
ONE CHILD	\$7,175 per child
2 CHILDREN	\$7,075 per child
3 CHILDREN	\$6,975 per child
4 CHILDREN	\$6,875 per child

Thank you for your continued partnership and support of Catholic education at St. Philip Neri School. Together, we can overcome challenges and continue to provide our children with a strong foundation for lifelong learning and service to others.

Respectfully,

Robert Bruce, School Board President

OPERATION **MATO** GROSSO

Food Drive for South America

We are a group of young people who meet in our free time to carry out work projects to support Operation Mato Grosso's missions in 121 different communities across Brazil, Bolivia, Ecuador, and Peru. Our goal is to provide an opportunity for people of the local communities to remain in their villages to earn an income and improve their lives.

DURING THIS LENT DON'T FORGET PEOPLE IN NEED

If you would like to help, you can drop off your donations at the entrances of St Clement Church or St Philip Neri parish office.

You can also support our effort by taking one of the **small collection boxes to collect spare change through Lent** and taking it back after Easter.

We collect 6 staple food items:

PASTA RICE CANNED FOOD (veggies)
SUGAR FLOUR COOKING OIL

Food will be used in our programs – in our schools, where we provide free meals to our students, in soup kitchens where we feed elderly people or people who are not able to provide for themselves, to patients in our hospitals and clinics, and more.

This will be our 8th Annual Food Drive. Since 2017 each year we have doubled the amount of food collected the previous year. Thanks for your collaboration

A big THANK YOU to everyone who supported the 8th Grade Bake Sale last week. We really appreciate everyone who donated yummy goodies and everyone who purchased them! Proceeds from this bake sale will help defray the cost of end-of-the-year activities for the CLASS OF 2024!

We pray that everyone had a very happy Valentine's Day!

The most powerful way to heal someone is to listen. Don't think or judge. Just listen. People start to heal the moment they feel heard. You can't be a healer if you refuse to step outside of your own emotions and view things entirely from the perspective of the other person.

SPN House Color Rush Day

This year St. Philip Neri Catholic School has instituted a House System. We have 8 Houses. The Houses are the 7 gifts of the Holy Spirit plus Creativity. Every Faculty Member, Staff Member, and Student has been assigned to a House. We had a very special "sorting" ceremony in September where students received an envelope with a colored bracelet inside. Every student, from Pre-K to 8th Grade, was placed in a House. They will stay in that House until they graduate 8th grade. Each bracelet is a different color and has their house name on it. Throughout the school year, the Houses will meet for different activities, community service, and fun! Students may earn points for their House by getting "caught doing something good!" The students will see their points every day on the screens on the first and second floors of the school. They will even see the pictures of the students earning points for their house! This system promotes teamwork and positive behaviors!

Where will our students in the Class of 2024 go to high school? The students received their high school acceptance letters last week. Some have decisions to make! May God bless them in this next journey in life!

WHERE

WILL
THEY

GO?

#kicksforX

We are collecting shoes and socks in honor of our son, Xavier, to donate to Kennedy Krieger Institute. These shoes and socks benefits many children and young adults in a variety of programs.

#kicksforX was started as a way to honor Xavier after he passed away in 2017. Xavier had a rare genetic syndrome called Schinzel-Giedion Syndrome. Xavier was always known for his awesome footwear. We always said, just because he could not walk didn't mean he couldn't have cool shoes. We think every child deserves cool shoes!

Items are needed by March 8, 2024:

- New shoes in infant through teen/adult sizes
(we especially need school aged (youth) sizes and wide widths)
- New socks (the cooler the better!) in all sizes; especially long socks to be used with braces
