Dear Parents:

As we plan for the next academic year at St. Philip Neri School, we extend our heartfelt gratitude to you for entrusting us with the education and formation of your children. We are immensely proud of the progress and achievements they have made thus far, and we remain committed to providing them with the highest standards of academic excellence and spiritual growth.

We write to you today to address an important matter regarding tuition expenses and the anticipated rise in tuition for the upcoming academic year. As you know, maintaining the quality of education and ensuring the sustainability of our school's programs and facilities require careful financial planning and resource allocation. Over the past few years, we have diligently managed our budget to balance the increasing costs associated with providing a comprehensive Catholic education while striving to keep tuition rates as affordable as possible for our families.

Tuition and per-pupil costs are not the same. The average state per-pupil cost of educating each child is approximately \$18,000. Despite our best efforts to control expenses, we find it necessary to implement a modest increase of \$200 in tuition for the 2024-2025 school year. This decision was made after careful consideration and consultation with our School Board, taking into account rising operational costs, faculty salaries, facility maintenance, and enhancements to our academic and extracurricular programs.

We understand the financial commitments that families make to prioritize their children's education, and we remain deeply committed to ensuring that a Catholic education at St. Philip Neri remains accessible to all who seek it. Our goal is to foster a community where every child has the opportunity to thrive academically, spiritually, and personally.

2024-2025 TUITION	FAMILY TOTAL
ONE CHILD	\$7,175
2 CHILDREN \$7175 + \$7075	\$14,250
3 CHILDREN \$7175 + \$7075 + \$6975	\$21,225
4 CHILDREN \$7175 + \$7075 + \$6975 + \$6875	\$28,100

Thank you for your continued partnership and support of Catholic education at St. Philip Neri School. Together, we can overcome challenges and continue to provide our children with a strong foundation for lifelong learning and service to others.

Respectfully,

Robert Bruce, School Board President

Kate Daley, Principal
