

Stay sharp this summer on IXL!

We've used IXL to reinforce our curriculum this year, and your child will continue to have access to the online program over the summer. With thousands of interactive skills, IXL is a fun way for your child to keep their learning fresh.

DID YOU KNOW?

Studies have found that students lose one to two months of math and reading skills over the summer. Use IXL to encourage your child to continue learning!

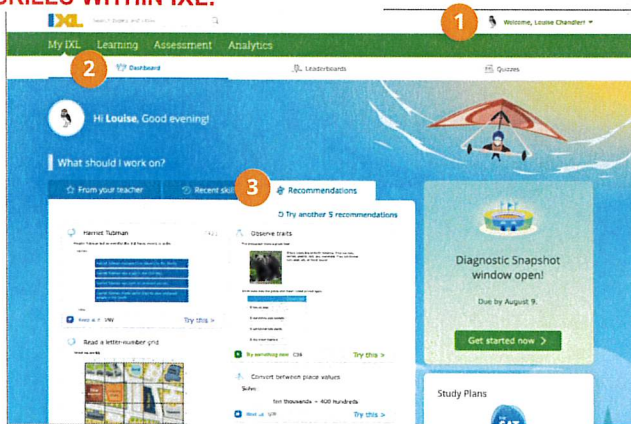

HOW DO I FIND SKILLS TO WORK ON?

1. Sign in to your child's account at www.ixl.com

Username: **Login information was sent home at the end of the school year. Please contact the school office at office@spnmd.org for your child's Username/Password, if needed.**

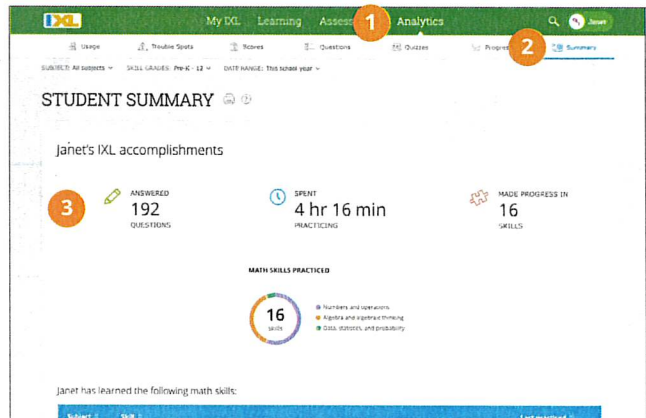

Password: **office@spnmd.org for your child's Username/Password, if needed.**

2. You'll be taken to your child's personal dashboard.
SPN SUMMER HOMEWORK: Each student has been assigned Summer Boost Skills for Math and Summer Boost Skills for ELA in grades K-8. **Students must complete one skill per day in Math and one in ELA for all 20 days. This can be done at any rate you choose.** If students want to do more, they can work in the diagnostic arena, other pinned skill plans such as MAP, or choose topics that are interesting to them. **SEE THE NEXT PAGE FOR INSTRUCTIONS ON HOW TO LOCATE THE SUMMER BOOST SKILLS WITHIN IXL.**

HOW DO I CHECK MY CHILD'S PROGRESS?

1. Sign in to your child's account and select the "Analytics" tab.
2. You'll be taken to your child's Student Summary report.
3. Review the list of accomplishments and skills to work on.
4. Encourage your child to keep learning!
