Shoes

For students' safety, shoelaces must be securely tied, and the loops must be visible. Shoelaces tucked into shoes causing shoes to flop are not permissible. When shoelaces need replacing, they must be replaced with the same color as the original laces. Students are not permitted to write on or otherwise decorate their shoes. Neon, off-color, or mismatched laces are not permitted.

No slippers, moccasin-style shoes, boat shoes, boots, open-toed sandals, Crocs, clogs, thick-soled, or high heeled shoes are permitted. If a medical condition requires students to wear a non-uniform shoe, a doctor's note should be submitted to the office. Students with medical exemption for shoes should wear athletic shoes (sneakers).

In the rare instance that an issue requires an alternate shoe, the student must have a doctor's note, and the alternate shoe must be an all black tennis shoe (this includes the soul and emblem, and laces). No other color/style shoe may be worn.

***Light up or skate shoes are not permitted.

***No colored or mismatched laces in shoes.

Please put your child's name in all uniform components so, if an item is lost, it can be returned to its owner.

DRINKING WATER POLICY

Water is an essential component of health and well-being. Increasing hydration through the consumption of water has been shown to improve nutrition, decrease excess weight gain, and improve students' cognitive function.

Students may access water from the refillable water bottle station located in the school throughout the school day. Students should bring a non-breakable bottle filled with water from home. The following guidelines apply:

- Water bottles must be 20 ounces or less and have a **closable lid with a pushup top to prevent spills. Disposable water bottles are not permitted.**
- Water bottles must be clearly labeled with the student's first and last name in permanent marker
- Water bottles must contain water only: NO juice, sports drinks, or energy drinks
- Water bottles are to be taken home daily by the student to be washed and refilled for the next school day
- Water will only be consumed at the beginning of class or the end of class or at the discretion of the teacher supervising water bottle use
- Students may not leave class to refill the water bottle without the teachers approval
- Water bottles are not to be in close proximity to technology equipment and are not permitted in the computer lab or library
- Water bottles are not permitted during exams, science labs, computer room or other activities where student safety is a concern
- Throwing or flipping bottles, pouring or squeezing the contents on another student or teacher, students' property, or school property will result in loss of water bottle privilege and disciplinary action
- School administration and teaching staff reserve the right to direct, supervise, and modify water bottle use in school as it applies to the curriculum, specific academic activities, and student safety
- Failure to abide by any of the above guidelines will result in loss of the student's water bottle privilege.

School Calendar 2024-2025

New to the 2024/25 school year:

1. St. Philip Neri School will be identifying 3 inclement weather days into the calendar. These days are March 24, 2025, April 16, 2025 and May 12, 2025. Please note that for each inclement weather day we need to use to close school from August-April, we will take away one of the three inclement weather (days off) identified in April-May.
2. There are 2 asynchronous days. (These are days students will be working from home.) They are ½ days for students. These days are November 15, 2024 and February 28, 2025. During this time, students will be responsible for completion of work posted in Google Classroom or sent home by the teacher, so that teachers will be given the time to input final grades for the trimester.

Tardiness/Assignments

Students may enter their homerooms at 7:45 a.m. The school day begins at 8:10 a.m. Any student arriving after 8:10 a.m. is considered late and must report to the office for a late slip. Tardiness is entered on a student's permanent record. It is the responsibility of the student to check with the homeroom teacher to receive the necessary communication or work that may have been missed due to lateness.

Tardiness (coming to school late or leaving school early) is another action that affects a student's readiness to learn. Coming in and/or leaving early, not only disrupts the educational learning for your child, but also those of other students in the class. Parents will be notified in writing for 5 or more tardies and a conference may be requested by the administrative team to address the issue and consequences.

If a student arrives after 8:10 a.m., the parent must bring them to the front of the school, and come into the office and provide a reason for the lateness.
