

St. Philip Neri Soccer Pictures

Our SPN students created a heart chain in their art classes!

GOD BLESS AMERICA →

On September 11 we remembered the events that happened on this day in history!

SPN 5A's Homeroom is very creative!

They learned that they are ALL an important piece of the 5th grade family!

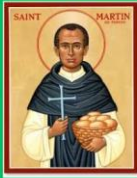

Ms. Moxley's 8th grade ELA class had a guest speaker during their class, Mr. Patrick Dowdell. Mr. Dowdell is a graduate of West Point who lost his father on 9/11. His Dad was a member of FDNY's Rescue 4. (There are only 5 rescue units in the FDNY.) Mr. Dowdell spoke with the students about his Dad and what his family experienced on 9/11/2001. Thank you, Mr. Dowdell, for taking time to speak with our students.

Congratulations to Angelique, Rafael, Marc, and Natalie for winning their age divisions in the Knights of Columbus Soccer Challenge! They will be representing SPN at the state level competition!

SPN Jester Hero

Every school experiences financial burdens. We have several items on our "wish list" to purchase. Donations can help out a specific club or enhancing our school with much needed equipment. Be a SPN JESTER HERO!
