THANK YOU SO MUCH!

We are proud of our girls who participated in The Catholic High of Baltimore's annual Math Olympiad!

Way to go, girls!

The Catholic High School of Baltimore hosts an annual Math Olympiad for middle school students. Students compete against other AOB students.

The Math Olympiad is a competitive exam that assesses students for their mathematical skills and abilities. The primary object of this exam is to instill a competitive mindset in students.

*Thank You!*

Ms. Doreen, and her book elves, transformed our library into a Scholastic Book Fair!

During their science our 7th graders learned how to extract DNA from strawberries!

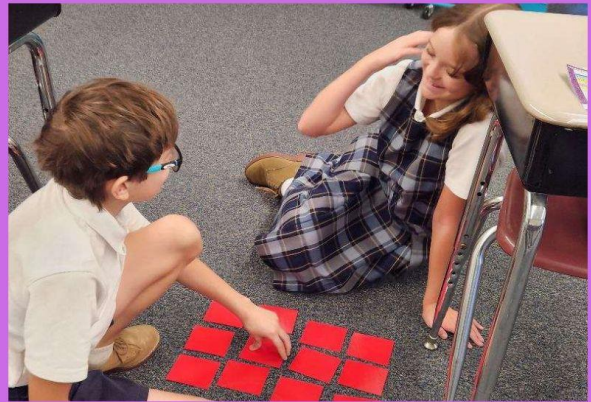

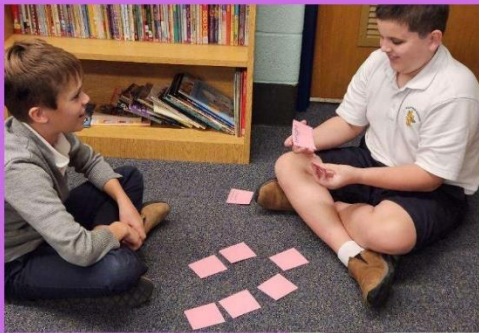

KB  
enjoyed  
visiting  
the  
Maker  
Space  
and  
building  
with  
Legos!

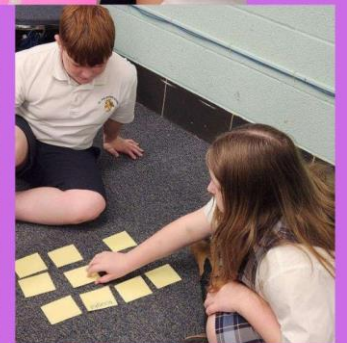

# MEMORY GAMES

What fun!

Our 5th graders enjoyed playing a game of Memory, Vocabulary Memory that is! What a great way to learn your vocabulary words!

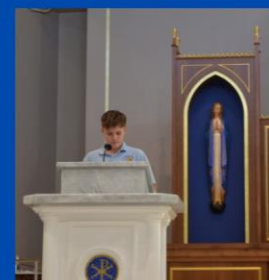

KA enjoyed visiting the Maker Space and building with Legos!

Our 8th grade Social Studies Classes welcomed guest speaker, Dr. Anne Whitesell, from Miami University of Ohio. Dr. Whitesell spoke with our students about the election, voting, and the Electoral College.

**The First ever cordless phone was created by God. He named it Prayer. It never loses its signal and you never have to recharge it. Use it anywhere. Amen!**

**Enjoy pictures of the Kindergarten field trip! Looks like they had fun!**

Our Kindergarten Class had a beautiful and fun day at Clark's Elioak Farm! They enjoyed learning about the animals, petting different critters, and picking out their pumpkins!
