How We Celebrate The Great Kindness Challenge at SPN

Every year, SPN participates in the Great Kindness Challenge. More than forty-one thousand schools in over one hundred ten countries participate in this world-wide initiative. More than twenty million students have performed over one billion acts of kindness since its inception in 2011.

During this week, our students try to complete many acts of kindness and record them on the checklist they receive. The students' checklists are tallied and House Points are awarded based on the total number of acts of kindness by the students in each house. Finally, our students' acts of kindness are submitted and are added to the world wide total.

Included in this newsletter are checklists in both English and Spanish. The students will receive English checklists from their teacher on Monday morning, February 3. They are included here as a resource for parents or in case you need to print an extra copy.

There is also a Family Edition of the Great Kindness Challenge. If you would like to participate as a family, you can sign up and download the family checklist at <https://thegreatkindnesschallenge.com/>.

If you have any questions or would like more information about the Great Kindness Challenge, contact Ms. Porembski at 410-859-1212, ext. 2108.
