Principal's Message

We consider every gift we receive a precious resource from God.

Dear Faithful Donors,

I hope this letter finds you in good health and spirits. On behalf of the entire St. Philip Neri School community, I would like to extend our deepest gratitude for your generous support. Your donations have made an incredible difference in the lives of our students, allowing us to continue nurturing their minds, hearts, and spirits in the light of Christ.

Thanks to your generosity, we have been able to refresh all six student bathrooms, replace our worn-out stage curtains, replace the carpet in several classrooms, and update our technology infrastructure. We were also able to provide financial aid to deserving families. These achievements are a testament to the strong partnership we share with you, our faithful supporters.

As we look to the future, we remain committed to providing a quality Catholic education rooted in faith, excellence, and service. However, we cannot do it alone. Our mission thrives because of the ongoing generosity of donors like you, who believe in the transformative power of a faith-based education.

I humbly ask you to prayerfully consider renewing or increasing your support. Every gift, no matter the size, allows us to continue providing our students with an environment that encourages academic success and spiritual growth. Together, we can shape the future for the next generation of leaders grounded in Catholic values.

Thank you once again for your kindness and generosity. You are continually in our prayers, and we are deeply grateful for your partnership in our mission. May God bless you and your loved ones abundantly.

With heartfelt gratitude,

Kate Daley, Principal

WE ARE FAMILY! At St. Philip Neri School we love the family community atmosphere!

COMMENTS FROM GRANDPARENTS

We enrolled our granddaughter into St. Philip Neri School in her kindergarten year; she is now in the 4th grade. We are so pleased in how she is thriving in her academic and social skills. Also, SPN instills in their students' strong Catholic moral values which are extremely important to us. We are very confident that she will excel in high school because of the academic excellence that she is receiving at SPN. Ever since kindergarten, each of her teachers has laid down a strong faith-based academic foundation for the next year. We are comfortable in sending our granddaughter to SPN because of the strict protocols in place for the safety of the students and staff. We are extremely satisfied with SPN.

COMMENTS FROM PARENTS

In early 2014, my husband and I started to research schools for our sons. We wanted to enroll our sons in a Catholic school that was dedicated to academic excellence and had an emphasis on Catholic values. Through prayer, God lead us to St. Philip Neri School. In the ten years we have been here, St. Philip Neri School has always provided a positive and safe learning environment. It is evident that the school promotes the spiritual, moral, and intellectual development of each student because my sons have grown and excelled during their time at SPN. My sons have actively participated in SPN athletics and clubs such as CYO Soccer and Basketball, Chorus, Drama club, and Chess club. These extracurricular activities taught my sons the value of teamwork and personal responsibility. We appreciate that SPN has given our sons numerous opportunities to strengthen and reinforce their Catholic faith through service projects, attending Mass, and daily prayer in the classroom. Above all, we strongly believe SPN is a school family. The faculty and staff know each student by name and greet them each morning. The school offers many volunteer opportunities which results in high parent involvement. As a result, our family has made long lasting friendships. We feel blessed that our sons are students of St. Philip Neri School!
