The Byrd family delivered a total of 1,689 pairs of shoes and socks to Kennedy Krieger! Each child in the pre-school and medical daycare took home a new pair of shoes and socks, including children who needed specialized shoes to fit with orthotics. The shoes and socks will now travel to inpatient and outpatient areas of of KKI to spread more kindness while remembering Xavier.

The Byrd family (Adrienne, Anthony, and Quinn) thank you for your continued support!

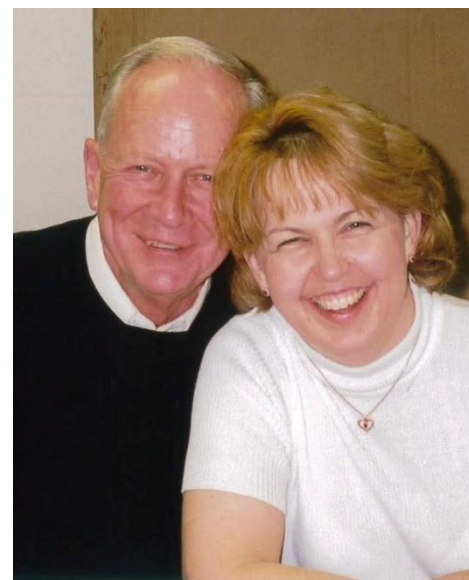

It is with heavy hearts that we share the passing of Cindy (Showalter) Jones who went to be with the Lord this morning after a courageous battle with cancer. Cindy was more than just an educator — she was a mentor, a source of strength and compassion, and a true reflection of Christ's love in our school community. She shared her gifts with our students, inspiring faith, knowledge, and kindness to every student she met.

Throughout her illness, Cindy displayed unwavering faith, grace, and resilience, teaching us all what it means to trust in God during life's most difficult moments. She will be dearly missed by students, colleagues, and families alike.

Let us continue to keep her memory alive in the way we serve, love, and support one another as a faith-filled community.

Eternal rest grant unto her O Lord, and let perpetual light shine upon her. May she rest in peace.

The Great Kindness Challenge

Hello KIND Friend!

There is no doubt about it—*KINDNESS MATTERS!* And thanks to you, kindness is moving hearts, bodies, and minds all around the world! We hope you're still feeling the joy from the kindness, compassion, gratitude, and generosity that filled your school during last week's Great Kindness Challenge.

This year, we are overjoyed to celebrate the incredible impact of **over 21 million students from 43,255 schools across 135 countries** who participated in this global movement of positivity! While the official celebration week has ended, we hope the kindness momentum continues well beyond this week, creating ripples of goodness in your schools and communities.

As a result of your school's active participation in The Great Kindness Challenge, we are delighted to recognize you as a Kindness Certified School!

We are deeply grateful for the kindness YOU have inspired in your school, community, and beyond!

With grateful and happy hearts,

Team Kindness

Congratulations, SPN!

Summer Tutoring

This summer we will be offering tutoring here at SPN. Tutoring will run from the week of June 23 through the week of July 28 on Mondays-Thursdays. Each session will be a one-to-one, one-hour block of time, and will cost \$40 for each session.

If you are interested in tutoring for your child, fill out the form below indicating your preferred day and time and return to Ms. Piwko. If your child will be attending summer camp at SPN, let us know and we will arrange a time that will not interrupt their participation in the camp activities.

There are limited tutors this summer, so priority will be given to those that return their forms first. During the last week of school, the tutor that will be working with your child will contact you to make final arrangements for tutoring.

If you have any questions, feel free to contact Ms. Piwko at epiwko@spnmd.org

Pope Leo XIV is the first American to fill the role of pope, although he is considered as much a cardinal from Latin America because of the many years he spent as a missionary in Peru. Born in Chicago in 1955 to parents of Spanish and Franco-Italian descent, Leo served as an altar boy and was ordained in 1982.

At St. Philip Neri Catholic School, our mission to form faithful, compassionate, and capable students happens through countless everyday moments — in the classroom, on the playground, during prayer, and beyond.

The General Fund is the heart of our Annual Fund, providing vital, flexible support where it's needed most — from classroom resources and faculty support to facilities, faith formation, and student experiences.

Give today: <https://spnmd.org/annual-fund/>

OUR WISH LIST FOR THE 2025-2026 SCHOOL YEAR

- Rubber Mulch for Playground
- New Bed for Health Room
- New PA System and Display TV for front Lobby
- New Counter for school office
- Playground area for PreK and K
- Outside Storage Equipment
- House System PD in Georgia (RCA)
- Chrome Book Charging Stations
- Custom Canopy Tent for special events
- Theater Enhancements (Mics, Lights, etc)
- School Camera
- Financial Aid Scholarships
- General Fund

We believe every child deserves the gift of a Catholic education — regardless of financial circumstances. Through your generosity to the Annual Fund, we provide financial aid and scholarships that make it possible for families to say yes to a faith-filled, academically strong education. Give today and be the answer to a family's prayer!

Our outdoor spaces are full of activity — from recess and PE, to special events and hands-on learning. But with all that movement comes the need for organized, weather-safe storage. We are raising funds for outdoor storage solutions to safely house equipment, supplies, and materials used daily by our students and staff.

A welcoming first impression begins at the Front Office! It is more than just a reception area — it's the heart of our daily operations and the first place where families, students, and visitors experience our Catholic hospitality. We are planning important updates to our front office — enhancing safety, improving functionality, and creating a warm, efficient space that reflects the spirit of our school community.

We believe that even the smallest details make a big difference — especially when it comes to keeping our students safe. That's why we're raising funds to provide new mulch for our playground. Fresh mulch doesn't just look nice — it creates a softer, safer surface for our children to play, explore, and grow in God's love. Help us keep recess fun and safe for every child who runs, jumps, and laughs in our outdoor spaces.

Every day is filled with moments of learning, laughter, faith, and growth. From classroom celebrations to school Masses and milestone achievements, we love sharing the joy of our community with families and supporters. But to truly tell our story, we need the right tools — including a new camera to help us capture and preserve these memories in vivid detail.

We care for the whole child — body, mind, and spirit. When a student isn't feeling well or needs a quiet moment to rest, our health room becomes a place of comfort and compassion. A new health room bed will help us provide a safe, clean, and comfortable space for students in their time of need.

Technology isn't just a tool — it's a bridge to deeper learning, creativity, and connection with our Catholic values. From BenQ boards to coding and digital faith-based resources, your support makes it all possible.

We are committed to fostering a vibrant, Christ-centered community where every student feels seen, supported, and inspired. That's why we're excited to explore the Ron Clark Academy's original House System — a model that brings students and staff together in powerful ways. We are seeking support for a professional development trip for some of our administration and teachers to visit the Ron Clark Academy and experience firsthand how the House System transforms school culture, encourages leadership, and builds lifelong bonds.

Our Drama Club is more than performances — it's a stage where students grow in confidence, creativity, and community. Through theater, they explore their God-given talents, express themselves, and bring stories to life that reflect faith, compassion, and human dignity. Your gift helps provide mics, lighting, sound panels, and other important stage equipment that keep the curtain rising on opportunity.

Our events bring the community together in faith, fellowship, and fun — from school festivals to field days and parish picnics. To make these gatherings even more welcoming and professional, we're raising funds for a custom canopy tent to proudly display our school name and logo while providing shade, shelter, and a visible presence at all our special events.
