#### Asynchronous Learning Days and Weather Days:

**\*Asynchronous Learning Day for Students** - There are 2 asynchronous days. These are days students will be working from home. They are  $\frac{1}{2}$  days for students. These days are November 14, 2025 and February 27, 2026. During this time, students will be responsible for completion of work posted in Google Classroom or sent home by the teacher, so that teachers will be given the time to input final grades for the trimester.

**\*\*Weather Days** - St. Philip Neri School will be incorporating 3 tentative inclement weather days into the calendar. These days are March 20, 2026, April 1, 2026 and May 15, 2026. Please note that for each actual inclement weather day (i.e. snow days) we need to use to close school from August-April, we will take away one of the three tentative weather days off identified in April-May.
