

Chromebook Loan Agreement with St. Philip Neri School

This agreement between parents, students, and St. Philip Neri School covers the Chromebook being shared with you.

- 1. Damage or Loss of the Chromebook.** Parents(s)/guardian(s) are responsible for their child's use of the Chromebook, including any damage to the Chromebook. In the event that a student's Chromebook is lost or damaged, SPN may assess the parent(s)/guardian(s) a charge to cover the replacement. The decision to assess a charge, as well as the amount of a charge, is at the sole discretion of the school, but will not be greater than the full replacement value of the Chromebook.
- 2. Hardware or Functionality Problems.** If a problem arises with the functionality of a student's device, the student must notify the teacher of the problem within 24 hours. Under no circumstances may the student or his/her parent(s)/guardian(s) attempt to fix or allow anyone but school staff to attempt to fix suspected hardware faults or the Chromebook's operating system. Do not take the device to any repair shop.
- 3. Failure to return the Chromebook and/or charger.** If a student fails to return the Chromebook and charger or any assigned accessories as directed, the school will seek reimbursement from the student's parent(s)/guardian(s) at full replacement cost.

The device and charger will be returned during the month of May or as directed by the school.

By signing this agreement, students and parent(s)/guardian(s) agree to abide by the restrictions outlined in the school's Acceptable Use Agreement and any other policies or directives outlined by St. Philip Neri School. The student's parent(s)/guardian(s) are responsible for monitoring their child's Internet access on the Chromebook.
