## Principal's Message

*We consider every gift we receive a precious resource from God.*

Dear St. Philip Neri Families and Friends,

As we reflect on the blessings of this school year, I am reminded daily of the incredible community that surrounds and supports our students. At St. Philip Neri, we are dedicated to forming the souls, minds, and bodies of our students through strong academics, faith, and character. None of this would be possible without the generosity and partnership of people like you.

Today, I invite you to participate in our **Annual Fund**. Your gift—whether large or small—directly impacts every student at our school. Unlike tuition, which covers only a portion of the cost of education, the Annual Fund bridges the gap and ensures we can continue to provide:

- Excellent academic programs that challenge and inspire
- Faith-filled experiences that help students grow closer to God
- Resources for technology, arts, and extracurricular activities
- Professional development and support for our dedicated teachers
- Tuition assistance for families in need

Every gift makes a difference. When our community comes together, the impact is powerful. Your support allows us to strengthen the mission of St. Philip Neri and invest in the future of every child who walks through our doors.

I ask you to prayerfully consider contributing to this year's Annual Fund. Together, we can ensure that St. Philip Neri remains a place where students are nurtured, challenged, and prepared for lives of faith, service, and excellence.

Thank you for your continued prayers, generosity, and commitment to our school. May God bless you and your family abundantly.

With gratitude,

*Kate Daley*

Kate Daley

Principal, St. Philip Neri School

### COMMENTS FROM PARENTS

Sixteen years ago, we decided to send our eldest daughter to SPN for pre-K. We wanted our children to be grounded in their Catholic faith as well as a school that would partner with us to help our children become saints! We saw this in SPN, both from seeing teachers at Sunday Mass and from my own experience as an alumnus (93'). From being involved at the school for the past twelve years I am happy to report that the school has been the partner we prayed for to help our children become saints. They pray every day, go to Mass each Thursday, and have faith-centered clubs like the rosary and adoration clubs. Plus, they have religious class daily, teaching them the basics in the early years while challenging them more in middle school. SPN has also given our children a great education. They are thriving academically. Their education has been well rounded due to the extensive extracurricular activities offered including: Robotics, Musical, Drama Jr, Running club and Chorus. Our family has been blessed by SPN and help SPN bless others in return by volunteering at Mass, run Lifeteen Ministry, and participate in school and parish events. SPN has truly been a beautiful community to be involved with, and it has been a true partner as we strive for heaven!

RICHARD AND JENNIFER LEGENDRE

### WE ARE FAMILY!

At St. Philip Neri School we love the family community atmosphere!

### COMMENTS FROM PARENTS

We have been part of the Saint Philip Neri community since our oldest started Kindergarten, and now our boys are in the 2<sup>nd</sup> and 4<sup>th</sup> grade. As both parish members and parents – with Sandy being an SPN alum – we have seen firsthand how special this school truly is. The teachers take a personal interest in our boys, working closely with us to support their individual needs and ensure their success. We appreciate how SPN combines a strong academic foundation with a caring, family-like environment. The sense of community among teachers, students, and families makes every day a positive experience.

Everyone looks out for one another, and that connection makes the school feel like an extension of home. We are grateful to be part of such a dedicated and supportive community.

JIM AND SANDY ALLRED

Check out some of the smiling faces you can see at SPN!

FUTURE JESTER

Saylor, Daughter of Faculty Member, Mrs. Montgomery
