Asynchronous Learning Day:

***Asynchronous Learning Day for Students** - There is 1 asynchronous learning day this school year. This is a day students will be working from home. This is considered a $\frac{1}{2}$ day for students (working from home). This day is scheduled for November 20, 2026. During this time, students will be responsible for completion of work posted in Google Classroom or sent home by the teacher, so that teachers will be given the time to input final grades for the trimester.
