Asynchronous Learning Days:

***Asynchronous Learning Day for Students** - There are 2 asynchronous days. These are days students will be working from home. They are considered a $\frac{1}{2}$ day for students (working from home). These days are November 20, 2026 and February 26, 2027. During this time, students will be responsible for completion of work posted in Google Classroom or sent home by the teacher, so that teachers will be given the time to input final grades for the trimester.
